

Department of Civil & Environmental Engineering Open Evening

Enhance your business and career prospects
with CPD and further study

Event Guide:

Find out how CPD and further study opportunities from the Department of Civil & Environmental Engineering can grow your business or help you in your career. This open evening event will showcase the unique suite of Postgraduate courses, Continuing Professional Development, Distance Learning and Open Access opportunities available. Attendees can also tour our brand-new state-of-art laboratories (to register go to www.engage.strath.ac.uk/event/142/).

Staff will be on hand to answer questions about the courses, available scholarships (including fully-funded PhD studentships), the newly launched Industrial Doctorate Scheme as well as our new distance learning options which will be launching in September 2014. Attendees can also find out about hiring our conference space or using our laboratory equipment.

Venue & Registration:

Wednesday 30th April
Registration: 4.00pm onwards.
Event: 4.00pm – 6.00pm
(attendees can drop-in anytime between 4-6pm.)
Room 5.09, Level 5, James Weir Building ([map](#)).

To register please go to
www.engage.strath.ac.uk/event/146/

Audience:

- Industry professionals looking to undertake Continuing Professional Development, or Open Access options, or a PhD via the Industrial Doctorate Scheme
- Anyone interested in using the Department's laboratory and/or conference facilities
- Current students (from any backgrounds) looking to undertake an MSc, MRes or a PhD on a full time or part-time basis

Benefits of attending:

- Find out about our postgraduate courses and potential sources of funding
- Discover more about our industry links including Continuing Professional Development, Open Access and Industrial Doctorate opportunities
- Find out about our flexible learning and knowledge exchange opportunities
- Visit our conference room and world-class laboratory facilities
