Faculty of Humanities and Social Sciences
Postgraduate Research Day
An exhibition and pitch competition showcasing postgraduate student research projects from across the Faculty of Humanities and Social Sciences

Event Guide:
This event will provide an opportunity to discover the richness, diversity and interest of the very best research currently being undertaken by postgraduate students in the Faculty of Humanities and Social Sciences (HaSS). Subject areas range from Psychology to History and from Law to Education. Students will share and communicate their ideas through two competitions: a poster competition; and a live research pitch competition (from 11.15 am – 12 noon). The keynote speaker and Chair of the poster judging panel is Professor Alan Miller, Chair of the Scottish Human Rights Commission.

Prizes will be presented to winning entrants by Professor Miller around 1pm.

Venue & Registration:
Wednesday 30th April 2014
9.00am – 2.00 pm
Graham Hills Building, Level 5 (map)

To register and for more information please go to: www.engage.strath.ac.uk/event/105

The University of Strathclyde is a charitable body, registered in Scotland, with registration number SC015263

Audience:
• Key stakeholders from across the Scottish public, private, and voluntary sectors including: governmental and local authorities; private sector companies involved in social research and policy making; volunteer organisations, in particular those with a focus on matters of quality, health, disability, human rights and other social policy areas such as education and housing.
• Staff and students from HaSS and across the University

Benefits of attending:
• Showcase of the best postgraduate student research and knowledge exchange from HaSS
• Find out how engaging with Strathclyde’s knowledge exchange and research activities can benefit your organisation
• Network with staff and students as well as representatives from external organisations
• Find out about Strathclyde’s Researcher Development Programme and how this develops early career researchers for the future
